

March 17th at 5PM

# Beyond the Glass Ceiling Conference

The event will celebrate the stories and share the advice of leading women in traditionally male-dominated fields. We hope to connect young people with role models and inspire them to pursue their goals no matter their gender or socioeconomic barriers.

## Equity Education / Association for Female Empowerment

ABOUT US: We are The Association for Female Empowerment, a high-school student-run activism group in Warsaw, Poland. We work to create an open space for students to share their experiences, discuss events in body politics, and collaborate on initiatives to empower and support...
